

## Municipal Electronic Recordkeeping

Instruction by Bruce Miller IGP, MBA

**Duration**  
8 hours (1 day)

MERU

*RIMtech Public Online Courses are scheduled periodically and open to anyone. Attendance is limited to optimize the learning experience.*

What's so different about Municipal recordkeeping? The sheer diversity and volume of activities, the vast number of assets, and the management of real property. Designed for RIM Professionals, this course is a deep treatment of electronic recordkeeping issues unique to municipalities. After a high-level introduction to EDRMS (Electronic Records/Document Management Systems), you'll learn how a retention schedule is adapted to a municipality, how to handle capital projects in the retention schedule, common versus shared activities, and the retention treatment of real property. This course is designed and delivered by **Bruce Miller**, author, independent consultant, and leading expert in electronic recordkeeping, and author of "*Managing Records in SharePoint*". Bruce has designed retention schedules and EDRMS implementation projects for both US and Canadian municipalities and will share his real-world experience throughout this course. Following course completion you'll receive a model municipal retention schedule you can use to adapt to your particular municipality.

### Learning Objectives

Upon completion of this workshop, participants will be able to:

- Understand the capabilities and limitations of SharePoint's native recordkeeping capabilities
- Clearly define recordkeeping requirements for SharePoint
- Understand how to achieve end user adoption of SharePoint
- Achieve full recordkeeping automation with Rules-Based Recordkeeping
- Learn to leverage third-party recordkeeping add-in software to achieve SharePoint recordkeeping
- Configure SharePoint with appropriate metadata, libraries and folders, content types, and storage locations
- Identify and avoid common EDRMS implementation mistakes
- Learn how the IT and RIM Professionals work together to reach the goals of EDRMS
- Define and track essential SharePoint and RIM performance metrics
- Apply industry best practices for electronic recordkeeping

### Who Will Benefit

Records/Information Management professionals, IT managers and specialists, project managers, compliance officials, and senior management.

### Takeaway Tools

Participants are supplied with all course materials, a terminology dictionary, and a sample municipal retention schedule.

### Certification Credits

IGP	14 (ARMAIGP2020_00079)	CRM	7 (2021012526796)
-----	------------------------	-----	-------------------

### Testimonials

*"I loved the performance measure aspect, and 20 suggested decisions. This was worth the cost of the course alone."*

*"I really liked the presenter. He engaged the attendees and asked thought-provoking questions that generated some lively conversations."*

*"This was one of the most engaging and informative seminars I can remember attending. I got a lot of great takeaways and can enthusiastically tell my employer that this was a productive use of my time and training dollars."*

*"Thank you! This course hit the nail on the head – it touched on many of the issues that I see in the workplace and provided me with the guidance and affirmation that will help me to manage these issues. Awesome seminar!"*

## Instructor

**Bruce Miller, MBA, IGP** is a world leading expert on electronic recordkeeping. He is an independent consultant, an author, and an educator. Widely regarded as the inventor of modern electronic recordkeeping software, he pioneered the world's first commercial electronic recordkeeping software in 1989. In 1997 he achieved the world's first e-Records software certification against the US DoD 5015.2-STD standard, and has since presided over several successful software certifications. In 1999 he developed the world's first e-Records software **engine** for business software. That year he received ARMA Canada's National Capital Region's **Ted Ferrier Award of Excellence** for his contribution to the field of records management. Bruce's software was the first technology in the world to be certified against the revised 5015.2 June 2002 standard. In 2002 his company was acquired by IBM, where he served for three years as IBM's global e-Records Strategy and Business Development Executive. At IBM he was honored as a *Technical Leader*, one of only 439 out of 360,000 IBM employees. Mr. Miller is the recipient of the prestigious 2003 **Emmett Leahy Award**, considered the highest international recognition given to professionals in the field of information and records management. His book "*Managing Records in Microsoft SharePoint 2010*" was an ARMA best seller, and the second edition was released in October 2015. Bruce holds a Diploma in Electronics Engineering Technology, a Masters in Business Administration from Queen's University, and is a certified Information Governance Professional.

## Course Topics

Topic	Description
<b>EDRMS 101</b>	A high-level overview of a modern EDRMS system, and the technologies involved
<b>The Retention Schedule</b>	How the retention schedule must be structured for modern electronic recordkeeping
<b>Assets</b>	How the records for linear and non-linear assets are properly managed in a municipal setting
<b>Capital Projects</b>	Dealing with large-scale projects involving many different assets
<b>Common vs Shared Activities</b>	Learn how to handle record-generating activities where many different business units cooperate, and where each business unit operates independently of the others.
<b>Real Property</b>	The unique retention schedule challenges of real property.
<b>Model Municipal Retention Schedule</b>	Walk through a real-life, state of the art municipal retention schedule to learn the characteristics unique to municipalities.

## Advantages of RIMtech Online Public Courses

## Technology Requirements

1. Reliable, stable high-speed Internet connection
2. Computer/laptop with a hands-free microphone (headset, or built-in)
3. Zoom App available at <https://zoom.us/download> (downloads automatically upon first meeting sign-in)
4. Camera optional but recommended
5. Printer to print out course exercise materials (highly recommended)

## Terms and Conditions

This is a summary only. See <https://www.rimtechconsulting.com/terms-conditions> for our detailed Terms and Conditions.

1. **Equipment Requirements.** Each participant is responsible for the technology requirements above in order to participate successfully in any RIMtech online class or event.
2. **Class Materials.** Participants will receive all class materials in electronic form. Materials will be posted to a restricted page of RIMtech's website for that particular class.
3. **No-Shows.** If a participant fails to attend a class without a notification of cancellation, no refund will be issued. RIMtech will make the class materials available for that participant.
4. **Payment.** Payment, or a Purchase Order, must be received by the class date. All invoices are due within 30 days.
5. **Participant Contact.** We require the name, email addresses, and telephone number of each participant prior to the start of each class.
6. **Participant Substitution.** A participant may be substituted at any time, by contacting [natalie@rimtechconsulting.com](mailto:natalie@rimtechconsulting.com).
7. **Participant Cancellation.** To cancel, you must notify us 5 days prior to the class date. The class fee will be refunded less a 10% administrative fee. If cancellation is received later than 5 days prior to class start date, participant may nominate a substitution, or RIMtech will issue a credit voucher for the full amount of the class, redeemable for 1 year against any class of equal or lesser value.
8. **RIMtech Cancellation.** RIMtech reserves the right to cancel any class for any reason, such as a failure to reach the minimum class registration size, instructor illness, etc. In such an event, RIMtech shall refund the full registration fee paid. RIMtech will make every effort to notify registrants as soon as possible of any such cancellation.
9. **RIMtech Postponement.** RIMtech reserves the right to postpone/reschedule any class for any reason and will, in such an event, work with registrants to find a mutually acceptable reschedule date. If such a date is not acceptable to any registrant, a full refund will be issued. RIMtech will make every effort to notify registrants as soon as possible of any such cancellation.
10. **Liability.** RIMtech assumes no liability for changes in course dates or content.
11. **Currency.** All fees are in US dollars.
